Dear Agent,

I am sorry to have to notify you that ALCC American Language is ceasing operation effective immediately. We are hoping to be able to re-open in the near future. We will keep you posted.

For those of you that have students currently attending, your student(s) should transfer their I-20 to another institute. If your student does not have an I-20, we are working on getting another ESL school in New York to complete their English training.

For those that have made payment, I am sorry to tell you that we are not able to make any refunds.

You can contact the New State Department of Education for any refund issues for your students - <http://www.acces.nyses.gov/bpss/student-rights>

Thank you for your support over the past many years.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Peter Pachter'.
